PROFESSIONAL SUMMARY

A result-driven Front-End Developer with a first-class degree in Computer Science and strong experience in developing responsive, user-centered web applications. Proficient in React.js, JavaScript, TypeScript, HTML, and CSS, with a proven record of collaborating with UI/UX teams to translate designs into functional, high-performance interfaces. Good at troubleshooting, optimizing code, and ensuring cross-browser compatibility. Passionate about building accessible, visually appealing, and efficient digital products.

CORE COMPETENCIES

- **Front-End Technologies:** React.js, JavaScript (ES6+), TypeScript, HTML5, CSS3, Tailwind CSS, Bootstrap
- **Version Control & Tools:** Git, GitHub, VS Code
- **API Integration:** Fetch API
- **UI/UX Collaboration:** Figma integration, responsive layout design.
- **Other Skills:** Problem-solving, communication, adaptability, teamwork

WORK EXPERIENCE

Front-end Developer The Exclusive App

07/2025 to Present

- Developed and maintained responsive web interfaces using React.js, TypeScript, and Tailwind CSS.
- Collaborated with UI/UX designers to translate visual designs into functional web components.
- Implemented state management and React Context for efficient data handling.
- Ensured cross-browser compatibility and optimized page performance.
- Maintained clean, reusable code with Git version control and performed regular code reviews.

Front-end Development Intern
SQI College of ICT

07/2024 to 09/2024

- Built **interactive website clones** (Tesla, YouTube, Netflix, Twitter/X) showcasing strong front-end skills.
- Utilized **JavaScript, Bootstrap, and CSS media queries** to achieve pixel-perfect responsiveness.
- Collaborated via **Git/GitHub** to manage source control and ensure seamless teamwork.
- Presented and documented completed projects demonstrating **UI/UX alignment** and functionality.

Project Management Intern
Dynamic Initiative Consult

07/2023 to 09/2023

- Created project charters and tracked deliverables to ensure timely execution.
- Supported cross-functional collaboration and daily stand-ups for clear progress updates.

LEADERSHIP AND VOLUNTEERING EXPERIENCE

***Social Media Team Volunteer* — Lead Conference**

April 2023

- Supported the digital communications team by creating engaging content and coordinating posts across platforms.
- Contributed to increasing audience engagement and amplifying the conference's key messages to a wider community.

***Volunteer* — Bowen Tech Week**

May 2024

- Supported logistics and attendee coordination, contributing to a successful experience for participants and speakers.

***Member* — Student Body Representatives**

09/2024 to 07/2025

Bowen University

- Represented the interests of students by actively participating in decision-making processes with university leadership.
- Demonstrated leadership, communication, and problem-solving skills while balancing academic responsibilities.

EDUCATION

Bachelor of Science: First-Class Honours - Computer Science
Bowen University
